```
I'm happy to be sad
```

I'm sad because I'm happy
And I'll throw my cares away
I love to see the clouds
Ruin a sunny day
I'm happy to be sad

I'm sad because I'm happy
And I'll throw my cares away
I love to see the clouds
Ruin a sunny day

```
I'm happy to be sad
```

I'm sad because I'm happy
And I'll throw my cares away
I love to see the clouds
Ruin a sunny day
