Last Day Sunday

Bracket

The day I died, it was the best day of my life And when you cried, it made me feel so good inside

I will leave my insecurities to the ones who always doubted me I just spent my last day, Sunday
Last Sunday

I'm satisfied, I knew that I could not survive And when you cried, I felt it on the other side

I will leave my insecurities to the ones who always doubted me I just spent my last day, Sunday Last Sunday

Sing my praises now that I'm away Don't wipe your feet on me like you did on my last day, Sunday

I'm satisfied, I knew that I could not survive And when you cried, I felt it on the other side

I will leave my insecurities to the ones who always doubted me I just spent my last day, Sunday Last Sunday
