

Go to Bed Early

Brad Paisley

There's a party going on tonight
And we can go if you want to
There's a good band playing downtown
But looking at you right now
Tell you what I want to do

Is go to bed early
Turn out the lights
It's only eight thirty
But that's alright
Know you ain't tired
Neither am I
Let's go to bed early
And stay up all night

You look like that dress was made for you
To walk a runway in New York
But right now my only thought
Is that dress would be better off
Laying on the floor

Is go to bed early
Turn out the lights
It's only eight thirty
But that's alright
Know you ain't tired
Neither am I
Let's go to bed early
And stay up all night

This night is young
Yeah I know
Come on baby

Let's go to bed early
Turn out the lights
It's only eight thirty
But that's alright
Know you ain't tired
Neither am I
Let's go to bed early
And stay up all night
