

# Then

Brad Paisley

I remember trying not to stare  
The night that I first met you  
You had me mesmerized  
And three weeks later  
In the front porch light  
Taking 45 minutes to kiss goodnight  
I hadn't told you yet  
I thought I loved you then

Now you're my whole life  
Now you're my whole world  
I just can't believe  
The way I feel about you girl  
Like a river meets the sea  
Stronger than its ever been  
We've come so far since that day  
And I thought I loved you then

I remember taking you back  
To right where I first met you  
You were so surprised  
There were people around  
But I didn't care  
I got down on one knee right there  
And once again  
I thought I loved you then

Now you're my whole life  
Now you're my whole world  
I just can't believe  
The way I feel about you girl  
Like a river meets the sea  
Stronger than its ever been  
We've come so far since that day  
And I thought I loved you then

I can just see you  
With a baby on the way  
I can just see you  
When your hair is turning grey  
What I can't see  
Is how I'm ever gonna love you more  
But I've said that before

Now you're my whole life  
Now you're my whole world  
I just can't believe  
The way I feel about you girl  
We'll look back someday  
At this moment that we're in  
And I'll look at you and say  
And I thought I loved you then

And I thought I loved you then
