

Out of it

Brad Sucks

In my place, where I am found,
I'm still amazed that you're not around,
I know, I know, that it's a blessing,
To be a man who can't pay attention to, my life,
Ah-I've got no time to make you believe me,
Set in the sun for someone to leave me,
I've got so much time to take it easy now that I am on my own.
Oh, oh, (right)

In my head, without a sound,
Build me up just to put me down,
I know, I know, that its a question,
Of being down for some kinda tension that I like,
I've got no time to make you believe me,
set in the sun for someone to leave me,
I've got so much time to take it easy now that I am on my own.
Oh, oh, (and)

Lately,
I've been out of it, but I'm trying,
So hard, to get back where I fit in.
Lately,
I've been out of it, but I'm trying,
So hard, to get back where I fit in.
'Cause I've got so much time to take it easy now that I am on m
y own.
On my own. (hey!)

Bum bum bum, bum bum bum ba da da da,
Bum bum bum, bum bum bum ba da da da,
Bum bum bum, bum bum bum ba da da da,
Bum bum bum, bum bum bum ba da da da,
Bum bum bum, bum bum bum ba da da da,
Bum bum bum, bum bum bum ba da da da,
Bum bum bum, bum bum bum ba da da da,
Bum bum bum, bum bum bum ba da da da,
'Cause I've got so much time to take it easy now that I am on m
y own.
