

Secret Girl

Brad

She,
She wasted no time.
Leaving town,
She wasted no time,
And Lord, Lord knows that I
Am so tired;
Tired of fighting.
She,

She wanted to be
A secret girl,
In her own world.
She, she wanted to be
A secret girl,
A waking dream.
Forgiveness, and forget.

'Cause time is wastin', you're gonna regret it,
And Lord knows that I,
I've been seein' it, seein' it comin'.
She,

She wanted to be
A secret girl,
In her own world.
She, she wanted to be
A secret girl,
A waking dream.
