

## Garner Hall Music Room

**Braid**

Close windows and drapes  
To avoid flying glass and  
Water damage

Close room door and  
Evacuate to the nearest  
Designated shelter area

Do not use the elevator

Seek protection from window areas  
Do not go outside the building  
This is not a test

In the event of an emergency  
Don't forget to salvage the scene  
A laundry list of spitfire items  
And the ring you never wear

Hall walls are painted planted  
Hall walls never sweat  
Hall walls can manage damage  
But we never forget

Assume seated position in a  
Shelter area and await notification  
That the danger has passed

Hall walls are cornered in corners  
Hall walls stay staked  
Hall walls can contact coroners  
Hall walls don't break
