

## Three Point Turn

**Braid**

Three point turn  
Watch and learn  
Grab the neck  
Shake and burn  
Sweetheart sigh  
Blueing sky  
One fourteen  
Goodbye

Three point turn  
Quick to serve  
Grab the neck  
Comes the curve  
Sweetheart choke  
In the smoke  
Hard to steer  
Leave me here  
To drive
