## Arrived

## **Brand New Sin**

Too depressed to think A train of empty thoughts Where's the meaning Confused and distraught Behind your dreams Lies your past To all the questions You just can't ask

Find peace Find truth Find my way Eternal youth Not look back Not give in Fight the fight Always win

Don't forget your past You've arrived at last

Now you can think TOo many random thoughts Found the meaning Confused and distraught Here lies your dreams upon your lap Better take them boy hurry fast
