

# Desperate Times Desperate Means

Brand New Sin

(Verse 1)

Fits of rage  
Fits of fury  
What's the consequences?  
Who's the jury?  
Why did you bring that out in me?  
Don't you know or, couldn't you see?

(Verse 2)

Time to run  
Time to hide  
You're just an ignorant punk  
Who ain't got no pride  
Why did you think you could destroy me?  
Desperate times, calls for desperate means

(Chorus)

It may be wrong  
It may be right  
Whatever it is, whatever it takes  
Was it worth a fight?

- Verse 2
- Chorus

Why did you think you could destroy me?  
Desperate times, calls for desperate means

- Solo
- Chorus 2x

Worth a fight?  
Worth a fight?  
Whatever it takes
