

Did You?

Brand New Sin

Did you ever wonder...
Wonder why
The way you are
Deep inside...
Did you ever wanna...
Run and hide
Hide away with your pride

Did you
Afraid of what's inside
Afraid to hurt your pride
Afraid of what you'll find

Did you ever wanna
Run a road
Away from everything
In your life
Did you ever question
Question why
Your existence and your strife

Did you
Afraid of what's inside
Afraid to hurt your pride
Afraid of what you'll find

Yeah My reason
Yeah My purpose
Yeah my ego
Yeah now did you

Afriad of what's inside
Afraid to hurt your pride
Afraid of what you'll find
