

# The Oath

Brand New Sin

(Chorus)

Why I ask?  
Was it worth it?  
All part of your plan?  
Get what you wanted?

(Verse 1)

Just a day  
Like all the others  
Warmth was gone  
And fall was here

(Pre-Chorus)

Is this true?  
Am I dreaming?  
Was this right?  
Now I'm screaming

-Chorus

(Verse 2)

Gone from Earth  
And onto Heaven  
I doubt it all  
Will be forgiven

-Pre-Chorus
