

# Dreams

Brandi Carlile

Dreams I have dreams when I'm awake when I'm asleep  
And you you are in my Dreams  
You're underneath my skin how am I so weak

And now in my dreams

I can feel the way I can just come clean  
I keep it to myself I know what it means  
I can't have you Well I have dreams

How long can you hold your breath?  
Can you count to ten can you let it pass  
To keep can you keep it in  
Keep it behind lashes can you make it last

And now in my dreams I could feel the way  
I can just come clean

I keep it to myself I know what it means  
I can't have you Well I have dreams  
Oh I have dreams I have dreams

(And then an amazing guitar solo)

Mind can you read my mind  
Is it come undone am I showin signs

And now in my dreams  
I can feel the wait I can just complete  
I keep it to myself I know what it means  
I can't have you Well I have dreams  
I have dreams I have I have I have Dreams
