

# Fall Apart Again

Brandi Carlile

Long as the day  
Take it away  
Hold it up and you don't let it fall  
Cause devils play  
Was yesterday  
And I don't care about that at all

I just smile  
Once in awhile  
Cause I don't want the lines on my face  
And I sit right here  
Holding the years  
And I count all of the stars in space

You fall apart again  
And you can't find a friend  
Don't turn to someone else  
Cause they won't understand

Self respect  
Goes unexpressed  
I don't dream cause I cannot sleep

And I think  
The world of myself  
But the world doesn't think much of me  
As long as the day  
Is full of time  
There will always be room  
For your hand in mine

You fall apart again  
And you can't find a friend  
Don't turn to someone else  
Cause they won't understand  
Don't wanna hear you say  
That tune is yesterday  
If you don't like what you see  
That means nothing to me

No one's home  
I'm alone  
With my music and my TV  
And I'll still say  
Yesterday  
Is best when left to sleep
