

# Heaven

Brandi Carlile

Oh thinking about all our younger years  
There was only you and me  
We were young and wild and free

Now nothing can take you away from me  
We've been down that road before  
But that's over now  
You keep me coming back for more

Baby you're all that I want  
When you're lying here in my arms  
I'm finding it hard to believe  
We're in heaven

And love is all that I need  
And I found it there in your heart  
It isn't too hard to see  
We're in heaven

Oh once in your life you find someone  
Who will turn your world around  
Bring you up when you're feeling down

Yeah nothing could change what you mean to me  
Oh there's lots that I could say  
But just hold me now  
Cause our love will light the way

Now nothing can take you away from me  
We've been down that road before  
But that's over now  
You keep me coming back for more

Baby you're all that I want  
When you're lying here in my arms  
I'm finding it hard to believe  
We're in heaven

I've been waiting for so long  
For something to arrive  
For love to come along

Now our dreams are coming true  
Through the good times and the bad  
Yeah I'll be standing there by you
