

# Wherever Is Your Heart

Brandi Carlile

I think it's time we found a way back home  
You lose so many things you love as you grow  
I missed the days when I was just a kid  
My fear became my shadow, I swear it did

Wherever is your heart I call home  
Wherever is your heart I call home  
Though your feet may take you far from me, I know  
Wherever is your heart I call home

You made me feel like I was always falling  
Always falling down without a place to land  
Somewhere in the distance I heard you calling  
Oh it hurts so bad to let go of your hand

Wherever is your heart I call home  
Wherever is your heart I call home  
Though your feet may take you far from me, I know  
Wherever is your heart I call home

Even when you're high, you can get low  
Even with your friends you love, you're still alone  
We always find the darkest place to go  
God forgive our minds, we were born to roam

Wherever is your heart I call home  
Wherever is your heart I call home  
Though your feet may take you far from me, I know  
Wherever is your heart I call home

Oh God forgive my mind, oh God forgive my mind  
When I come home, when I come home  
Oh God forgive my mind  
There's a road that's long and winding, it hollers home  
I'm calling home

Oh God forgive my mind, oh God forgive my mind  
When I come home, when I come home  
Oh God forgive my mind, oh God forgive my mind  
When I come home, when I come home

Wherever is your heart I call home  
Wherever is your heart I call home  
Though your feet may take you far from me, I know  
Wherever is your heart I call home

Wherever is your heart I call home  
Wherever is your heart I call home  
Though your feet may take you far from me, I know  
Wherever is your heart I call home
