

# Can't Deny My Love

Brandon Flowers

Open up to the night  
Our bed is underneath the heavy moon  
Cast a doubt like a shadow walking  
Through the corners of the room

I always thought I'd have a full tank to go  
(But not tonight, you're running low)  
I always thought I'd find my own way  
What's going on in your head now  
Maybe something I said,  
I know that you've been living in the past  
What's going on in your head now  
Maybe something I said now

It's driving me crazy  
You can try to lie  
But you're not gonna, not gonna deny  
No you're not gonna, not gonna deny my love  
And you can run to the hillside  
And you can close your eyes  
But you're not gonna, not gonna deny  
No you're not gonna, not gonna deny my love  
You can't deny my love

The eyes of God  
Watching over us so we don't break the golden rules  
The seven seas, have we learned  
Or are we sailing on a ship of fools  
I always thought I'd have a full tank to go  
(But not tonight, you're running low)  
I always thought we'd get there someday

It's driving me crazy  
And you can try to lie  
But you're not gonna, not gonna deny  
No you're not gonna, not gonna deny my love  
And you can run to the hillside  
And you can close your eyes  
But you're not gonna, not gonna deny  
No you're not gonna, not gonna deny my love  
You can't deny my love

When you close your eyes, tell me what you see  
Locked up in your room is there any room for me  
In the spoils of your mercy, in the reverence of your bed  
In the cradle of the morning what was it that you said

What's going on in your head now

You're not gonna, not gonna deny  
No you're not gonna, not gonna deny my love  
And you can run to the hillside  
And you can close your eyes  
But you're not gonna, not gonna deny  
No you're not gonna, not gonna deny my love  
You can't deny my love, my love
