

Give Me Your Eyes

Brandon Heath

Looked down from a broken sky
Traced out by the city lights
My world from a mile high
Best seat in the house tonight

Touched down on the cold black tar
Hold on for the sudden stop
Breathe in the familiar shock
Of confusion and chaos

All those people going somewhere
Why have I never cared?

Give me Your eyes for just one second
Give me Your eyes so I can see
Everything that I keep missing
Give me Your love for humanity

Give me Your arms for the broken hearted
The ones that are far beyond my reach?
Give me Your heart for the one's forgotten
Give me Your eyes so I can see
Yeah, yeah, yeah, yeah

Step out on a busy street
See a girl and our eyes meet
Does her best to smile at me
To hide what's underneath

There's a man just to her right
Black suit and a bright red tie
Too ashamed to tell his wife
He's out of work, he's buying time

All those people going somewhere
Why have I never cared?

Give me Your eyes for just one second
Give me Your eyes so I can see
Everything that I keep missing
Give me Your love for humanity

Give me Your arms for the broken hearted
The ones that are far beyond my reach?
Give me Your heart for the one's forgotten
Give me Your eyes so I can see
Yeah, yeah, yeah, yeah

I've been there a million times
A couple of million eyes just moving past me by
I swear I never thought that I was wrong

Well, I want a second glance
So give me a second chance
To see the way You see the people all alone

Give me Your eyes for just one second

Give me Your eyes so I can see
Everything that I keep missing
Give me Your love for humanity

Give me Your arms for the broken hearted
The ones that are far beyond my reach?
Give me Your heart for the one's forgotten
Give me Your eyes so I can see

Give me Your eyes for just one second
Give me Your eyes so I can see
Everything that I keep missing
That I keep missing

Give me Your arms for the broken hearted
The ones that are far beyond my reach?
Give me Your heart for the one's forgotten
Give me Your eyes so I can see
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
