Oh Heavenly day
All the clouds blew away
Got no trouble today
With anyone

The smile on your face
I live only to see
It's enough for me baby
It's enough for me
Oh heavenly day
Heavenly day
Heavenly day

Tomorrow may rain with sorrow
Here's a little time we can borrow
Forget all our troubles in these moments so few
Oh we can right now the only thing that all that we really have to do

Is have ourselves a heavenly day
Lay here and watch the trees sway
Oh can't see no other way
No way
No way
Heavenly day heavenly day heavenly day

No one on my shoulder Bringing me fears Got no clouds up above me Bringing me tears Got nothing to tell you I got nothing much to say Only I'm glad to be here with you On this heavenly heavenly heavenly heavenly day Oh all the troubles gone away Oh for awhile anyway For awhile anyway Heavenly day Heavenly day Heavenly day Heavenly day Heavenly day Oh heavenly day
