## I'm Not Who I Was

## **Brandon Heath**

I wish you could see me now I wish I could show you how I'm not who I was I used to be mad at you A little on the hurt side too But I'm not who I was

I found my way around To forgiving you Some time ago But I never got to tell you so

I found us in a photograph I saw me and I had to laugh You know, I'm not who I was You were there, you were right above me And I wonder if you ever loved me Just for who I was

When the pain came back again Like a bitter friend It was all that I could do To keep myself from blaming you

I reckon it's a funny thing I figured out I can sing Now I'm not who I was I write about love and such Maybe 'cause I want it so much I'm not who I was

I was thinking maybe I I should let you know I am not the same But I never did forget your name Hello

Well the thing I find most amazing In amazing grace Is the chance to give it out Maybe that's what love is all about

I wish you could see me now I wish I could show you how I'm not who I was
