

Might Just Save Your Life

Brandon Heath

Don't make a sound
Hold your breath
We gotta go
Because the Devil thinks you're dead

Turn around
Face the door
Where you been sleeping
Isn't safe anymore
Uh, huh, uh, huh, yeah

I know you thought
Your faith was gone
But I'm as real as the fire
That you're on

I'm not afraid
Know how to fight
And I ain't leaving here
Alone tonight
Uh, huh, uh, huh, yeah

It might just save your life
Uh, huh, oh, yeah
It might just save you

Just because you give up on yourself
Doesn't mean that I gave up myself, myself, oh
Might just save your life, yeah

Don't be afraid
Stand up and fight
'Cause I ain't leaving here
Alone tonight
Uh, huh, uh, huh, uh, huh
It might just save your life

Uh, huh, uh, huh
It might just save your life
Uh, huh, uh, huh
It might just save your life
Uh, huh, uh, huh
It might just save your life
