

# Your Love

Brandon Heath

I felt it first when i was younger a strange connection to the light

I try to satisfy the hunger i never got it right, I never got it

So I climbed a mountain and built an altar

Looked out as far as I can see

And everyday I'm getting older i'm running out of dreams, I'm running out of dreams

But your love, your love the only thing that matters is your love your love

Is all I have to give your love is enough to light up the darkness

Its your love all ever needed is your love

You know the effort i have given

And you know exactly what it cost

And though my innocence was taken not everything is lost, not everything is lost, no

But Your love, your love the only thing that matters is your love, your love is all I have to give your love is enough to light up the darkness its your love your love all i ever needed its your love

You're the hope in the morning You're the light when the night is falling You're the song when my heart is singing Its your love

You're the eyes to the blind man

You're the feet for the lame man walking

You're the sound of the people singing its your love ( your love, your love )

But your love, your love the only thing that matters is your love, your love is all i have to give your love is enough to light up the darkness It's your love, your love all i ever needed is your love

All I ever needed is your love, your love

All I never needed is your love

Its all I ever needee
