I'm young but I'm wise enough to know
That you don't fall in love overnight, oh yeah
That's why I thought if I took my time
That everything in love would be right

But as soon as I closed my eyes I was saying to love, "Goodbye"

But I guess I'm only brokenhearted Life's not over I can start again While I'm lonely brokenhearted It's a hurting thing to get over

No more empty conversations

Next time I will be totally sure, oh yeah

Don't want the pain of falling in and out of love

It's more than my poor heart should endure

So I'll listen to all advice And remember each time I cry

That I guess I'm only brokenhearted Life's not over I can start again While I'm lonely, brokenhearted It's a hurting thing to get over

Only brokenhearted
Life's not over I can start again
While I'm lonely, brokenhearted
It's a hurting thing to get over
(Starting all over again)

Only brokenhearted
So I'll listen to all advice
And remember each time I cry

Oh, only brokenhearted Life's not over I can start again While I'm lonely, brokenhearted It's a hurting thing to get over

Only brokenhearted
Life's not over I can start again
(Starting all over again)
While I'm lonely, brokenhearted
It's a hurting thing to get over
(Starting all over again)

Only brokenhearted Life's not over I can start again While I'm lonely, brokenhearted It's a hurting thing to get over, get over Only
