

## Bottoms Up

Brantley Gilbert

I see you and me riding like Bonnie and Clyde  
Goin ninety five burning down one twenty nine yeah  
Looking for the law, while I push my luck  
She's ridin shot gun like it ain't no thing  
Turn the radio up so the girl can sing right  
Pull into the party like, "Y'all wassup"

Tonight is bottoms up  
Throw it on down  
Rock this quiet, little country town  
Get up  
Drop a tailgate on ya truck  
Find a keg and fill ya cup up  
Kick it on back  
Pretty little mama lookin at ya like that  
Make ya wanna slide on in like, "Girl, what's up"  
Yeah tonight is bottoms up  
Get em up  
Tonight is bottoms up  
Get em up  
Damn

Girl I gotta tip my hat  
Never thought a country song would make you move like that, yeah  
And she's doing it in daisy dukes  
Girl she's got ya tappin on a boys shoulder  
Hey dog check this out  
Man, it's how them girls do it in the dirty south, yeah  
She'll have you on your knee, "Can I marry you?"

Yeah tonight is bottoms up  
Throw it on down  
Rock this quiet, little country town  
Get up  
Drop a tailgate on ya truck  
Find a keg and fill ya cup up  
Kick it on back  
Pretty little mama lookin at ya like that  
Make ya wanna slide on in like, "Girl, what's up"  
Yeah tonight is bottoms up  
Get em up  
Tonight is bottoms up  
Get em up, get em up, get em up

Get em up

Hey y'all whatever ya sippin on,  
Get it up in the air one time  
Bottoms up

Let's give a toast to the good times  
All y'all get your drinks up high  
Everybody feelin alright  
Damn right

Cause tonight it's bottoms up  
Throw it on down

Rock this quiet, little country town  
And get up, drop a tailgate on ya truck  
Find a keg and fill ya cup up  
Kick it on back  
Pretty little mama lookin at ya like that  
Make ya wanna slide on in like, "Girl, what's up"

Tonight is bottoms up  
Throw it on down  
Rock this quiet, little country town  
And get up, drop a tailgate on ya truck  
Find a keg and fill ya cup up  
Kick it on back  
Pretty little mama lookin at ya like that  
Make ya wanna slide on in like, "Girl, what's up"  
Yeah tonight is bottoms up  
Get em up
