

# I'm Gone

Brantley Gilbert

There's no suitcase by your front door  
There's no note sayin' goodbye  
Ain't no motor out there runnin'  
Idling in the drive  
You don't have to keep on lookin'  
For some proof you're losin' me  
You don't have to keep on waitin'  
Afraid I'm gonna leave

I'm not goin'  
I'm not goin' anywhere  
We both know it  
Girl, I'm already there  
It's been over  
I don't know why you're holdin' on  
I'm not goin', I'm not goin', I'm not goin'  
I'm gone

What you're hearin' is an echo  
What you're seein' is a ghost  
I'm just dust that hasn't settled  
Back down on the road  
I went down long ago

I'm not goin'  
I'm not goin' anywhere  
We both know it  
Girl, I'm already there  
And it's been over  
I don't know why you're holdin' on  
I'm not goin', I'm not goin', I'm not goin'  
Yeah all those times you didn't listen  
All the words you can't take back  
I'm gone  
Girl, I'm gone

Hell I'm not goin'  
I'm not goin' anywhere  
We both know it  
Girl, I'm already there  
It's been over  
I don't know why you're holdin' on  
I'm not goin', I'm not goin', I'm not goin'  
I'm gone  
I'm gone

Yeah I'm not goin'  
Girl, I'm gone
