

# Saving Amy

Brantley Gilbert

Amy's got the letters I wrote  
My picture in a frame  
She's had a year to let go  
She's still wearing my ring

It hasn't left her finger  
Since the night that I proposed  
When I promised her forever  
Before I took her home

But I never made it home that night  
A part of her died too  
I watched her losing her mind  
And there's nothing I can do, oh

Sometimes she goes crazy  
Screaming out my name  
Saying, "Baby, please come and save me"  
I wish she knew I'd do anything

To kiss the tears right off her face  
Tell her everything's okay  
Feel her heartbeat next to mine  
And make up for lost time

Oh, but God, I know I can't  
You can't let her live this way  
It's too late for saving me  
But there's still hope for saving Amy

Now 3 years have gone by  
She's trying to live her life  
And I still watch her sometimes  
Just to make sure she's alright

She knows I'll always be there  
In her heart and in her dreams  
'Cause God, I promised her forever  
And that's one promise I intend to keep

To kiss the tears right off her face  
Tell her everything's okay  
Feel her heartbeat next to mine  
To make up for lost time

Oh, but God, I know I can't  
But you can't let her live this way  
It's too late for saving me  
But there's still hope for saving Amy

I'll kiss the tears right off her face  
When I walk her through these gates  
Feel her heartbeat next to mine  
Make up for lost time

God, I thank you everyday  
For giving her that ounce of faith

That led her right back here to me  
And most of all for saving Amy  
Saving Amy

Thank you, God, for saving Amy  
For saving Amy  
Thank you, God, for saving Amy  
For saving Amy, yeah

For saving Amy, for saving Amy  
Saving Amy  
Thank you, God, for saving Amy
