

Fuck Yr. Fans

Bratmobile

You said I'd be blue
If i fell in love with you

Fuck yer fans!
One, two, three, four

Im going to kill you

Get outta my fucking life
I've waited my whole life
Stop living my fucking life
You've ruined my fucking life

You dumb bitch I love

Get outta my fucking town
Stop coming to my fucking town
Grew up in this fucking town
You've ruined my favorite town

You dumb bitch I love

Get outta yer fucking scene
If you know what I fucking mean
Get out of our fucking scene
I hate yer fucking scene

You dumb bitch I love

Yer breaking my fucking heart
You think yer so fucking smart
I'll tear yer lie apart
You have no fucking heart

You dumb bitch I love
