

# I Wanna

Bravehearts

[Chorus]

Baby, I wanna fuck  
I'll be yo' down ass slut  
You know I like it rough  
You can do it in my butt  
When you look at me  
I wanna throw my leg up  
And give you what you want  
So nigga get dat nut

[Verse 1]

See my sleazy, sluty breezy  
Does anything I want, she thinks she needs me  
Shave her pussy hair use to be (?)  
Ass like Serena playin tennis on Tv  
Terrific tight vagina  
Very wet when I be deep inside her  
My grandma said she was too fast  
She was in the club shakin dat ass  
Hangin out late, smokin and drinkin  
Ready to pop off without even thinkin  
She want the cash, the clothes, the cars  
She wanna lay up in the bed wit the stars  
When this bitch is naked, she the sexiest  
She possessed the kid like the exorcist  
Her breast excellent, "C" cup titties  
She be rollin my weed when I drive through New Yetti

[Chorus]

Baby, I wanna fuck  
I'll be yo' down ass slut  
You know I like it rough  
You can do it in my butt  
When you look at me  
I wanna throw my leg up  
And give you what you want  
So nigga get dat nut

[Verse 2]

Runnin to tell my niggas you comin wit me to get 'em
