(feat. Nas) [talking] Uh yea, yea, yea Let's Go Niggas [laugh] C'mon nigga, C'mon nigga [Chorus 2x] I be dippin in tha twilight, wit gangstas, Smokin weed up in my ride life the same stuff, its still a bitch livin like I'm rich bang broads call me Mr. International ghetto stars [Verse 1] Yo' I talk like a champion, walk like a champion, body like a god, and I promise that Nas will hit you off, flow like a gangsta, blum bum bum bum bustin like dummies, so mami you come and lick it off, I stay right, purple haze'd outfit stay on my ? blood stay in my mouf, ? layed out tequila sunrise and five 6's surprise bitches Nas from the trenches, hot as he survived This is ?, here for good, Rep fo' my thugs, plumper than last summer, stomach streched from tha grub, good livin, good women I fuck wit straight stallions, bowleg stances go 'head handsome, but they all scream my cars lean, hit up, every state, town, city wit my braveheart team, pretty face, round tits and ass, stay my queen, keep a burna in tha trunk, ate all fifteen [chorus 2x] [Verse 2] Yo' if you see me on mtv, don't forget I'm tha same nigga from QB Sittin on tha block, hungary & starvin Imaginin performin' at Madison Square Garden or Radio City, in New York City Bring tha whole hood wit me, gallons of henny My homie got shot right befo' my eyes, I got shot too, but I survived I was just a teenager, never had a pager always had flava, chasin dat paper I need dem diamonds, dem new clothes Pretty hoes, dat Bently Coupe all red like a rose and everybody knows, my gun goes off in tha west coast, durty south, and up north Jungle tha boss, a natural born hustler I despise suckas, ya punk muthafuckas!

[Verse 3]

Nigga I'm high wit high hopes fuck tha bullshit, stand up in front of dat You get tha full clip, I'll beat a nigga senseless His skin is missin, listen, my knockouts is six So serious, bang wit a "b" on my chest Yall niggas is bitches, ya touch me and I'm pullin ya dress from stitches to stitchin' I hate yall niggas, stomp you out like roaches Can't you see I'm here to get this paper just I'm suppose to I been a BraveHeart since semen, ? my pops schemin One thought to get up in my moms jeans and it came to this It feel like a muthafucka dreamin, but I'm here Fuck anything another nigga thinkin, see dem BraveHearts, damn, those my niggas, you got drama wit 'em Sleep witcha gun unda ya fuckin pillow This is real thangs, I know shit feels strange How dem QB niggas do thangs, check dis shit

[chorus 2x]
