

Christmas In E.c.

Brazzaville

It started with a girl
And some tickets 'round the world
Searching for a life less dull
Bangkok and Taipei
Sao Paolo and Bombay
A cheap guitar and sweet pancakes

Lonely rain
Lovely daydreams
Faraway from my home
Alcohol
Strawberry shake dreams
Christmas in East Cirebon

We traveled with the wind
Loving all our little sins
Romance like Paris violins
But Fortuna had her way
She rained on our parade
When my baby found some heroin
