

## Lazy Flawed & Hopeless

Brazzaville

Lunch special  
Koreatown  
Cuban fried bananas  
Lazy, flawed & hopeless

All our cars  
Are rusted through  
TV's in the garbage  
Lazy, flawed & hopeless

Fame and Fortune  
We're caught up in the game  
I love the smell  
Of asphalt in the rain

When my days  
Have come and gone  
Lay down with my blanket  
Lazy, flawed & hopeless

Load me on  
An aeroplane  
Point me towards the tropics  
Lazy, flawed & hopeless  
Lazy, flawed & hopeless
