

Down on My Knees

Bread

I told you before, don't you hear what I say
I won't take it no more, no more making me stay
Down on my knees, you know I'm down on my knees yea
Yes I've been down on my knees
But I'm through begging please
I won't get back on my knees.

Nobody knows, what your putting me through
Nobody knows, if it's worth it for you
Nobody sees, you got me down on my knees
Well I've been down on my knees
And I'm through begging please
Don't put me back on my knees.

You know how I always loved you
Never placed myself above you,

Don't let me go, if I wish that I could
Don't tell me no, if I wish that you would
Down on my knees, you know I'm down on my knees
Well I've been down on my knees
But I'm through begging please
Don't put me back on my knees.
