

Let Your Love Go

Bread

There's a reason for the life that you live
And there's pleasin' that I know you can give
And I been crayin' the love you been sayin'
So baby won't you give it to me

You're tellin' me no, no, no
You don't want to let your love go
I'm tellin' you yes, yes, yes
You really oughta be gettin' some happiness

I made a motion and it's out on the floor
And it's a notion that I'd love to explore
Cause I been tastin' the love you been wastin'
So baby won't you give it to me

You're a lady
And I'm here in the palm of your hand
Such a lady
How much more do you think I can stand?
