

## Never Let Her Go

Bread

Everybody needs a someone  
Waiting to be there when things are a-looking down  
So if you feel a little lonely  
Go out, find your one and only  
Somewhere out there  
Someone will care for you and then  
Never let her go  
Never let her go

You may wonder how you know love  
When the moment comes that you've been a-dreaming of  
Well true love takes a little longer  
Your heart beats a little stronger  
You'll know it's real  
Inside you'll feel you're home at last then  
Never let her go  
Never let her go

So if you feel a little lonely  
Go out, find your one and only  
Open your heart  
Give love a start and watch it grow  
And never let her go  
And never let her go  
And never let her go  
Never let her go  
Never let her go
