

## Stronger (Kanye West Cover)

### Breakdown of Sanity

Now that don't kill me  
Can only make me stronger  
I need you to hurry up now  
'cause I can't wait much longer  
I know I got to be right now  
'cause I can't get much wronger  
Man I've been waitin' all night now  
I need you right now  
I need you right now  
Let's get lost tonight  
You could be my black Kate Moss tonight  
Play secretary, I'm the boss tonight  
And you don't give a fuck what they all say right?  
Awesome, the Christian and Christian Dior  
Damn, they don't make 'em like this anymore  
I ask 'cause I'm not sure  
Do anybody make real shit anymore?  
Bow in the presence of greatness  
'cause right now thou has forsaken us  
You should be honored by my lateness  
That I would even show up to this fake shit  
So go ahead  
OH  
Act like you can't tell who made this  
New gospel homey, take six, and take this, haters

I need you right now  
I need you right now

God put you in front of me

So how the hell could you front on me?  
There's a thousand you's, there's only one of me,  
right?  
This is Louis Vuitton Don night  
So we gonna do everything that Kan like  
Heard they'd do anything for a Klondike  
Well I'd do anything for a blonde-dike  
And she'll do anything for the limelight  
And we'll do anything when the time's right  
Ugh, baby, you're makin' it (harder, better, faster,  
stronger)  
You know how long I've been on you?  
Don't act like I never told you  
You know how long I've been on you?  
Don't act like I never told you  
Now that don't kill me  
Can only make me stronger  
I need you to hurry up now  
'cause I can't wait much longer  
I know I got to be right now  
'cause I can't get much wronger  
Man I've been waitin' all night now  
Harder, Better, Faster, Stronger  
Oh Come On  
What doesn't kill me no  
Will, will only make me stronger, stronger
