

Stronger (Kanye West Cover)

Breakdown of Sanity

Now that don't kill me
Can only make me stronger
I need you to hurry up now
'cause I can't wait much longer
I know I got to be right now
'cause I can't get much wronger
Man I've been waitin' all night now
I need you right now
I need you right now
Let's get lost tonight
You could be my black Kate Moss tonight
Play secretary, I'm the boss tonight
And you don't give a fuck what they all say right?
Awesome, the Christian and Christian Dior
Damn, they don't make 'em like this anymore
I ask 'cause I'm not sure
Do anybody make real shit anymore?
Bow in the presence of greatness
'cause right now thou has forsaken us
You should be honored by my lateness
That I would even show up to this fake shit
So go ahead
OH
Act like you can't tell who made this
New gospel homey, take six, and take this, haters

I need you right now
I need you right now

God put you in front of me

So how the hell could you front on me?
There's a thousand you's, there's only one of me,
right?
This is Louis Vuitton Don night
So we gonna do everything that Kan like
Heard they'd do anything for a Klondike
Well I'd do anything for a blonde-dike
And she'll do anything for the limelight
And we'll do anything when the time's right
Ugh, baby, you're makin' it (harder, better, faster,
stronger)
You know how long I've been on you?
Don't act like I never told you
You know how long I've been on you?
Don't act like I never told you
Now that don't kill me
Can only make me stronger
I need you to hurry up now
'cause I can't wait much longer
I know I got to be right now
'cause I can't get much wronger
Man I've been waitin' all night now
Harder, Better, Faster, Stronger
Oh Come On
What doesn't kill me no
Will, will only make me stronger, stronger
