## Breakdown of Sanity

I feel so incomplete  
I never want to change, but I think I'm gonna fold  
It's all the same to me  
I can't erase the darkness in my mind  
I can't rise  
I'm falling down again

Last hope  
So I want my life back

I thought I'm strong enough to pull the strings of life  
But you're pulling away  
Another fight to wish away the loneliness  
Another face that I don't know  
I'll drown in this life

Give me something good and I'll fuck it up  
I'll fuck it up

Tears of angels are falling down  
And I hope to get them  
If I don't get my way

My dreams are fading now  
I try to be the man I really am  
My dreams are fading now  
I don't know what to do  
But sit here and wait for the end of the world  
I want my new life  
Tell me now how should I feel

Fuck you.
