

# Breath

## Breaking Benjamin

1. I see nothing in your eyes  
And the more I see the less I like  
Is it over yet  
In my head  
I know nothing of your kind  
And I won't reveal your evil mind  
is it over yet  
I can't win
- \*: So sacrifice yourself  
And let me have what's left  
I know that I can't find  
The fire in your eyes  
I'm going all the way  
Get away with you
- R: You take the breath right out of me  
You left a hole where my heart should be  
You gotta fight just to make it through  
Cause I will be the death of you
2. This will be all over soon  
Pour salt into the open wound  
Is it over yet  
Let me in
- \*: So sacrifice yourself...
- R: You take the breath...
- \*: I'm waiting  
I'm praying  
Realize, start hating
- R: You take the breath...
