

Dance With The Devil

Breaking Benjamin

Here I stand
Helpless and left for dead

Close your eyes
So many days go by
Easy to find what's wrong
Harder to find what's right

I believe in you, I can show you
That I can see right through all your empty lies
I won't stay long in this world so wrong

Say goodbye
As we dance with the Devil tonight
Don't you dare look at him in the eye
As we dance with the Devil tonight

Trembling
Crawling across my skin
Feeling your cold dead eyes
Stealing the life of mine

I believe in you, I can show you
That I can see right through all your empty lies
I won't last long in this world so wrong

Say goodbye
As we dance with the Devil tonight
Don't you dare look at him in the eye
As we dance with the Devil tonight

Hold on, hold on

Say goodbye
As we dance with the Devil tonight
Don't you dare look at him in the eye
As we dance with the Devil tonight

Hold on, hold on

Goodbye
