

# Dance With The Devil

Breaking Benjamin

Here I stand  
Helpless and left for dead

Close your eyes  
So many days go by  
Easy to find what's wrong  
Harder to find what's right

I believe in you, I can show you  
That I can see right through all your empty lies  
I won't stay long in this world so wrong

Say goodbye  
As we dance with the Devil tonight  
Don't you dare look at him in the eye  
As we dance with the Devil tonight

Trembling  
Crawling across my skin  
Feeling your cold dead eyes  
Stealing the life of mine

I believe in you, I can show you  
That I can see right through all your empty lies  
I won't last long in this world so wrong

Say goodbye  
As we dance with the Devil tonight  
Don't you dare look at him in the eye  
As we dance with the Devil tonight

Hold on, hold on

Say goodbye  
As we dance with the Devil tonight  
Don't you dare look at him in the eye  
As we dance with the Devil tonight

Hold on, hold on

Goodbye
