

# Polyamorous

Breaking Benjamin

The day has come to an end  
The sun is over my head  
My polyamorous friend  
You got me in a mess of trouble again

[Chorus:]

So  
Just when you think that you're all right  
I'm calling out from the inside  
I never hurt anyone  
I never listen at all

They've come to get me again  
The cloud is over my head  
My polyamorous friend  
You got me in a mess of trouble again

[Chorus]

Just stay away from the white light  
I'd say your worst side's your best side  
I never hurt anyone  
I never listen at all

Well how do you know?  
Well how do you know?  
Well how do you know?  
Well how do you know?

[Chorus]

Just stay away from the white light  
I'd say your worst side's your best side  
I never hurt anyone  
I never listen at all  
Let's go
