

Until The End

Breaking Benjamin

1. So clever,
Whatever,
I'm done with these endeavors.
Alone I walk the winding way.
(Here I stay)
It's over,
No longer,
I feel it growing stronger.
I'll live to die another day,
until I fade away.

R: Why give up, Why give in?
It's not enough, It never is.
So I will go on until the end.
We've become desolate.
It's not enough, It never is.
So I will go on until the end.

2. Surround me,
It's easy
To fall apart completely.
I feel you creeping up again.
(In my head)
It's over,
No longer,
I feel it growing colder.
I knew this day would come to end,
So let this life begin.

R: Why give up, Why give in?
It's not enough, It never is.
So I will go on until the end.
We've become desolate.
It's not enough, It never is.
So I will go on until the end.
I've lost my way.
I've lost my way,
But I will go on until the end.

*: Living is hard enough
Without you f...ing uh-uh-up.

R: Why give up, Why give in?
It's not enough, It never is.
So I will go on until the end.
We've become desolate.
It's not enough, It never is.
So I will go on until the end.
I've lost my way.
I've lost my way,
But I will go on until the end.

U-uh-uh, u-uh-uh
The final fight I win,
The final fight I win,
The final fight I win,

But I will go on until the end.
