

What Lies Beneath

Breaking Benjamin

Take a breath, hold it in
Start a fight, you won't win
Had enough, let's begin
Never mind, I don't care

All in all you're no good
You don't cry like you should
Let it go if you could
When love dies in the end

So I'll find what lies beneath your sick twisted smile
As I lay underneath your cold jaded eyes
Now you turn the tide on me 'cause you're so unkind
I will always be here for the rest of my life

Here we go, does it hurt?
Say goodbye to this world
I will not be undone
Come to life, it gets worse

All in all you're no good
You don't cry like you should
I'll be gone when you fall
Your sad life says it all

So I'll find what lies beneath your sick twisted smile
As I lay underneath your cold jaded eyes
Now you turn the tide on me 'cause you're so unkind
I will always be here for the rest of my life

Don't carry me under
You're the devil in disguise
God sing for the hopeless
I'm the one you left behind

So I'll find what lies beneath your sick twisted smile
As I lay underneath your cold jaded eyes
Now you turn the tide on me 'cause you're so unkind
I will always be here for the rest of my life
