What Lies Beneath

Breaking Benjamin

Take a breath, hold it in Start a fight, you won't win Had enough, let's begin Never mind, I don't care

All in all you're no good You don't cry like you should Let it go if you could When love dies in the end

So I'll find what lies beneath your sick twisted smile As I lay underneath your cold jaded eyes
Now you turn the tide on me 'cause you're so unkind
I will always be here for the rest of my life

Here we go, does it hurt?
Say goodbye to this world
I will not be undone
Come to life, it gets worse

All in all you're no good You don't cry like you should I'll be gone when you fall Your sad life says it all

So I'll find what lies beneath your sick twisted smile As I lay underneath your cold jaded eyes
Now you turn the tide on me 'cause you're so unkind
I will always be here for the rest of my life

Don't carry me under You're the devil in disguise God sing for the hopeless I'm the one you left behind

So I'll find what lies beneath your sick twisted smile As I lay underneath your cold jaded eyes
Now you turn the tide on me 'cause you're so unkind
I will always be here for the rest of my life
