

# Without You

Breaking Benjamin

Search for the answers I knew all along  
I lost myself, we all fall down  
Never the wiser of what I've become  
Alone I stand, a broken man

All I have is one last chance  
I won't turn my back on you  
Take my hand, drag me down  
If you fall then I will too  
And I can't save what's left of you

Sing something new, I have nothing left  
I can't face the dark without you  
There's nothing left to lose, the fight never ends  
I can't face the dark without you

Swallow me under and pull me apart  
I understand there's nothing left  
Pain so familiar and close to the heart  
No more, no less, I won't forget

Come back down, save yourself  
I can't find my way to you  
And I can't bear to face the truth

Sing something new, I have nothing left  
I can't face the dark without you  
There's nothing left to lose, the fight never ends  
I can't face the dark without you

I wanted to forgive  
I'm trying to forgive  
Don't leave me here again  
I'm with you forever, the end

Sing something new, I have nothing left  
I can't face the dark without you  
There's nothing left to lose, the fight never ends  
I can't face the dark without you

Holding the hand that holds me down  
I forgive you, forget you, the end  
Holding the hand that holds me down  
I forgive you, forget you, the end
