Edge Of Heaven

Breathe Carolina

I can't hold back My hands won't let me It's the touch of your skin Is it lust or envy? Is it lust or envy? I can't hold back My pride won't let me I'm seeing red This is all too deadly This is all too deadly Fallout! One more taste One last time I just can't help it Fallout! I need it all Hanging from the edge of heaven All seven All seven Fallout! I need it all Hanging from the edge of heaven (Hanging from the edge of heaven) I can't get up Motivation left me I let it burn Only embers left in me Only embers left in me My old friend how long it's been MY original sin we meet again You taught me to live like this My original sin we meet again Fallout! One more taste One last time I just can't help it Fallout! I need it all Hanging from the edge of heaven All seven All seven Fallout! I need it all Hanging from the edge of heaven You taught me this I'll take my place Amongst the angels With my seven sins

I'll reign again, baby I'll reign again
