

# The Birds And The Bees

Breathe Carolina

I hope you know I swear to god  
I hope you know that this won't stop  
(god damn, just another heartbreak)

I swear to god I won't stop until your shakin  
Trust me baby you know I want you to  
And let me slide into you please baby  
And if you're screamin, than I'm screamin too  
If you want it let me bring it, let me sneak into your house to  
night

Breathe in  
And I'm coming to these terms that my heart won't beat anymore  
I just can't get it  
Sing along sing if you want, ten more seconds till we're through  
the door.  
And it's a dance party everyone's looking for, been drinkin ton  
ight and I won't stop, when it's a quarter to four daylight is  
breakin

I'll call you in the morning if you think it's right  
Is it over? is it over...  
It was a dance party, everyone looked just right, I played you  
all night, would you believe me if I told you that I want you,  
and everyday I felt this way? would you take me to the place yo  
u know the one that leaves me all alone... wait right here just  
for a minute we'll talk a little just about it  
I will take it slow, I won't let you go.
