

## Waiting

Breathe Carolina

"Nice shoes"  
Wanna get to know you.  
How can I get you alone?  
Light's flash, Move fast  
Tell me how I can get into your heart?

She got a bitter bite, But I'm a sweet talker  
Diamond's in her eyes and I'm gonna shine for her

Waiting for you love  
Waiting to feel you love  
Waiting for you.

We don't have to fall in love ..  
We don't have to feel to touch ..  
We can do it for the rush ..  
I'm waiting on you

Bodies crash with no reaction  
She bites my tongue so I don't say too much  
She was made for lust  
Any more then that would be so dangerous

She got a bitter bite, But I'm a sweet talker  
Diamond's in her eyes and I'm gonna shine for her

You're a fool if you dance  
You're a fool if you don't  
You're a fool either way  
So don't tell me you won't  
So pick it up!
