

A Marshmallow World

Brenda Lee

It's a marshmallow world in the winter
When the snow comes to cover the ground
It's the time for play, it's a whipped cream day
I wait for it the whole year around

Now those marshmallow clouds being friendly
In the arms of the ever green trees
And the sun is red like a pumpkin head
It's shining so your nose won't freeze

Oh, the world is your snowball, see how it grows
That's how it grows whenever it snows
The world is your snowball just for our soul
So get up and roll it along

It's a yum yummy world, made for sweet hearts
Take a walk with your favorite guy
It's a sugar date, what a spring is late
In winter it's a marshmallow world

Those marshmallow clouds being friendly
In the arms of the ever-green-trees
And the sun is red like a pumpkin head
It's shining so your nose won't freeze

Oh, the world is your snowball, see how it grows
That's how it grows whenever it snows
The world is your snowball just for our soul
You better get up and roll it along

Oh, it's a yummm yummy world, made for sweet hearts
Take a walk with your favorite guy
It's a sugar date, what a spring is late
In winter it's a marshmallow world

It's a marshmallow world
It's a snow covered world
It's yummy, yummy world
It's a marshmallow world
