

## As Usual

Brenda Lee

The Sun comes up and brings the dawn  
As usual  
When I awake I'll find you gone  
As usual

But I can't find a way to let  
This crazy heart of mine forget  
I pretend you're still beside me  
As usual

Each evening I take a walk  
As usual  
I make believe that we still talk  
As usual

People always stop and stare  
I guess they just don't see you there  
Don't they know you'll always be right here  
As usual

Today I looked into my mirror  
As usual

I told myself that you're still here  
As usual

And as I stood there telling lies  
The tears began to fill my eyes  
Cause I know I'm only fooling myself  
As usual
